Marshall County Parking Spaces

Lucas Baedke, Buildings and Grounds Director, provided information on Marshall County owned parking lots that are signed "Permit only parking between 7AM and 5 PM." There has not been any enforcement in the county owned lots since the 2018 tornado, as staff have been displaced and working at other locations. Now that the courthouse is occupied, staff are needing the spaces in the county lots, displacing other vehicles that have been accustomed to parking in the county lots for nearly five years. Baedke will be updating the signage to add notice that violators will be towed. The board discussed the parking ordinance and procedure for notifying drivers of vehicles parked in signed lots without a permit. Staff are placing notices on vehicles without a permit and tracking repeat violators. The signage will be updated prior to July 1, and after July 1 towing will be an option for the county to remove vehicles parked in signed lots without a permit. No action taken.

Home Base Iowa, Veterans' Relocation to Marshall County Program

Jarret Heil, Board Chairman, recommended adopting the Veteran Relocation Reimbursement model of Story County, being \$2,000 per relocated veteran up to \$16,000 for the first year of the program, for the fiscal year ending June 30, 2024, funding from the county's economic development budget line item. Veteran Affairs Director Kevin Huseboe will be accepting and reviewing those relocation requests. John Hall, CEO Marshalltown Area Chamber of Commerce, added the Chamber will be working with businesses for recruiting veterans as well as assisting veterans working to build their own business. A resolution will be presented at the next meeting, so the funding is in place prior to July 1.
