

Marshall County Board of Supervisors
Regular Session March 7, 2017 at 9:00 a.m.

AGENDA

The Board will meet in regular session on Tuesday, March 7, 2017, at 9:00 a.m. in the Courthouse, meeting room #2, NE corner, 3rd floor with _____members present.

Pledge of Allegiance

Notice to the public--The Board of Supervisors welcomes comments from the public during the time allowed for discussion. You are requested to approach the microphone, state your name for the record and limit the time used to present your remarks in order that others may be given the opportunity to speak. The normal process on any agenda item is for the Chairperson to read the item from the agenda. The Board is given an opportunity to comment on the issue and/or place a motion on the floor. An opportunity for discussion may be presented at which time the public may participate and a roll call vote will follow.

1. Approval or Amendment of Agenda—

Motion by _____, second by _____, to _____ the agenda as printed.

Roll call vote:	Thompson-	Salasek-	Patten-

Roll call vote:	Thompson-	Salasek-	Patten-
	Vice Chairman	Member	Chairman

11. Resolution #2017-0020

2017 Marshall County Noxious Weed Control Plan

Resolution #2017-0020

Whereas, noxious weeds can reduce crop yields by competing for light, water, and soil nutrients; decrease crop value and market ability; serve as hosts for certain economic insects and

disease pathogens; directly affect human and animal health; and detract from the aesthetic value of real property, and

Whereas, In accordance with the Iowa Weed Law, landowners and persons in possession or control of any Marshall County lands, rural or urban, should destroy noxious weeds before they bloom or reach their maturity. They can be destroyed by cutting, burning or chemical treatment and;

Whereas, the Code of Iowa provides that if the owner or persons in control of lands fail to comply, the county weed commissioner can order the noxious weeds destroyed and the cost of such will be assessed against the landowner.

Whereas, the Marshall County Board of Supervisors desires to implement an effective noxious weed control program for the 2017 growing season in Marshall County

Now, Therefore, Be It Resolved, that the following shall constitute the 2017 Marshall County Noxious Weed Control Program;

The following noxious weeds must be destroyed before going to seed and as often as necessary thereafter to prevent seed production:

Curly (Sour) Dock, Hoary Cress, Leafy Spurge, Perennial Peppergrass, Red (Sheep) Sorrel, Smooth (Pale) Dock, Quackgrass, Buckthorn, Musk Thistle, Buckhorn Plantain, Russian Knapweed, Canadian Thistle, Shattercane and Wild Mustard, Field Bindweed, Poison Hemlock, Wild Carrot, Bull Thistle, Cocklebur, Horse (Bull) Nettle, Perennial Sowthistle, Puncturevine, Tall Thistle, Teasel, Velvetleaf (butterprint), Wild Sunflower and Multiflora Rose.

The Code of Iowa provides that if the owner or persons in control of lands fail to comply, the county weed commissioner can order the noxious weeds destroyed and the cost of such will be assessed against the landowner.

Persons interested in working for the weed commissioner on a contract basis to mow weeds should submit a bid on an hourly basis, along with information on equipment available and references to the Weed Commissioner, Courthouse.

Marshall County will conduct a roadside weed management spraying program again this year. The county will blanket spray for thistles, wild carrot and wild mustard specifically, and other noxious weeds found in high concentrations generally in the roadsides and areas of county ownership over eight townships in the east half of the County in mid to late May or early to mid-June.

In mid to late August the county will conduct a spot spray program in the west half of the county for all thistle varieties as well as poison hemlock, wild carrot and wild mustard

specifically, and other noxious weeds found in high concentrations generally in the roadsides and areas of the county owned by the county. The county will also conduct a separate spray program on areas of dense populations of Leafy Spurge in selected areas along Summit St. Rd. and Sand Rd.

Any person seeking to have their land exempted from the county spray program may ask the county to skip their property. This requires filing a proper description with the county which will be placed on the County “Do Not Spray” map. This also requires placement of the County “Do Not Spray” placards at each end of the area not to be sprayed. There is a fee of \$10.00 per area requested to not be sprayed.

Be It Further Resolved that this 2017 Noxious Weed Control Program shall become effective upon its adoption by the Marshall County Board of Supervisors.

Dated this ____ day of March, 2017, Marshall County, IA.

Motion by _____, second by _____, to _____ Resolution #2017-0020,
2017 Marshall County Noxious Weed Control Plan.
