Road condition: 260th Street. The Board discussed the petitions received for road improvement on roads that are not eligible for Farm/Market funding. Road improvements for residential areas rely in total on the General Fund. Marshall County Engineer Geilenfeldt estimates the 260th Street gravel road grading / paving work estimate at \$1.5M. Geilenfeldt considers the Wolfe Lake residential area a priority due to existing deteriorating pavement. Benson clarified these two road improvement projects are not eligible for ARPA funds. County Treasurer Jarret Heil said the Iowa Code allows for special improvement districts / special assessments, referencing Iowa Code Chapter 358C. There was no action taken by the board. Benson and Heil will investigate options.

EMC Insurance Renewal 10/1/2021. Benson received notice that effective October 1, 2021, there will be an additional deductible of 1% for wind and hail damage. It was unclear if that was for the total policy holding value, or if the deductible would be per damaged building. The 1% additional deductible appears to be an industry trend, possibly due to the 2020 derecho causing widespread damage. There was no action taken by the board.

SBA Communications – Edge Data Center / Wireless & available funding. Benson is investigating options for improving county wide data service, and will provide information at a later date.

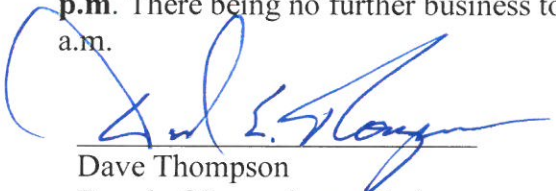

Tabled: RACOM Lease for Collins and Iowa Avenue Towers (until final draft available, likely July 2022) No action taken on tabled item, however, the board anticipates action at the August 17, 2021, meeting.

Motion by Patten, second by Salasek, to **remove the tabled item “RACOM Lease for Collins and Iowa Avenue Towers” for discussion and possible action.** Roll call vote, motion carried 3-0.

Motion by Patten, second by Salasek to approve the **Tower Lease Agreement with RACOM for Collins and Iowa Avenue Towers**. The lease has been reviewed by the county attorney. Benson recommends approval, as the lease needs to be approved before the equipment can be installed. The equipment will go live in July, 2022. Payment is not due until that time. Roll call vote, motion carried 3-0.

Public Forum. There were no public comments. Benson talked about. The board discussed ATVs on gravel roads, it appears there was no statewide legislation this year that would eliminate county authority to pass an ordinance. The board wants to include Sheriff Phillips on any discussion about this issue.

Adjournment. The next regular session is **Tuesday, August 17, 2021, at 9:05 a.m.** All business to be acted upon at that session should be submitted to the County Auditor and Recorder's Office or the Board of Supervisors' Office **Wednesday, August 11, 2021 at 12:00 p.m.** There being no further business to come before the Board, the meeting is adjourned at 9:50 a.m.
