Motion by Salasek, second by Patten, to approve all **project expenditures, contribute \$887,366.03 for items, to be paid from the AMERICAN RESCUE PLAN ACT (ARPA) FUND.** Roll call vote, motion carried 3-0. Auditor and Recorder Benson reviewed items #1 and #2. The COVID Sick time reimbursement period started on March 3, 2021, which is the date expenses are eligible for ARPA coverage, and ending on May 31, 2021, which is the date the county stopped coverage for COVID related sick time. After the installation of the IT items in the conference rooms, all of the conference rooms will be COVID friendly. Item #3 is for the two 911/EMA directors to attend a national conference. Thompson asked if the expense should be split among the members of the MCCC, it was determined by the internal ARPA committee that the county could approve the whole expense. Item #4 covers multiple building improvements in the Courthouse, Annex, Election Center and Sheriff's complex. Item #5 – the supervisors discussed this item, with input from Patrick Cornwell, a member of the Green

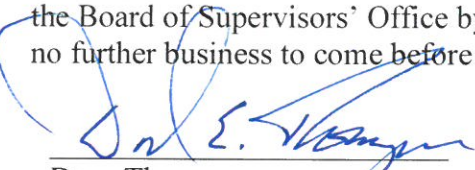

Mountain Fire Department. Green Mountain is an unincorporated area of the county and is not eligible to apply for ARPA funds. The amount covers nineteen pagers, six mobile radios, 4 portable handhelds for the First Responders and 10 portable handhelds for the Fire Department. Green Mountain has levied the maximum amount since 1996. (see public comment for additional information)

Motion by Patten, second by Salasek, to approve **New Hire, Auditor/Recorder Assistant, Wendy Hilderbrand**, permanent full time, 40 hours per week, \$18.50/hour, start date on or after September 1, 2021. Roll call vote, motion carried 3-0. Hilderbrand is currently employed with the county in the Treasurer's Department. Benson stated there could be opportunity to share the employee during the training period with the County Treasurer, as the County's General Fund covers both departments' salary expense. Heil said he was OK with the employee starting September 1.

Public Forum. Baedke announced DHS has moved to the Annex on the corner of 1st Avenue and Main Street. The county has leased the W State Street building from two owners during the past 25 years. Benson said the Annex will also house CICS, Veterans Affairs and Public Health, making it easier for the public to receive services from these agencies. Thompson directed staff to ensure insurance coverage and utility services cease.

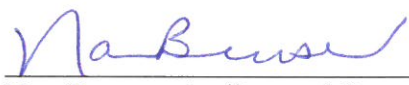

Cornwall added he has tried to get state legislation passed to allow additional levy for situations like Green Mountain, which provides fire service for a large area without a nearby incorporated city. Supervisor Thompson suggested Cornwall speak with County Treasurer Heil to get more information on an improvement district to raise levy funds for their fire station improvement and other needs. The members of the tax district would have to approve the additional levy by a vote. Kim Elder suggested Cornwall approach Koch Brothers, (anhydrous tanks) currently under new management, for a donation.

Adjournment. The next regular session is **September 14, 2021, at 9:05 a.m.** All business to be acted upon at that session should be submitted to the County Auditor and Recorder's Office or the Board of Supervisors' Office by **Wednesday, September 8, 2021 at 12:00 p.m.** There being no further business to come before the Board, the meeting is adjourned at 9:56 a.m.
