This purchase will be paid from the FY2025 equipment budget. Paul Geilenfeldt, Marshall County Engineer, provided clarification on this item. He stated this is more of a pull behind cutter that will be able to remove trees up to 8" in diameter to help clean out ditches in the County. Motion carried 3-0.

Discussion and Possible Action: Marshall County Petition for LOSST for the November 5, 2024 General Election

There was no action taken on this item, only discussion to raise awareness that a petition for the LOSST is available to be signed to have the item put on the November 5, 2024 General Election ballot. Heil provided clarification and said this sales tax raised \$1,626,000.00 for the County last year with 50% going to property tax relief and the other 50% going to roads and bridges. Paul Geilenfeldt also stated that in order to get state funding for his department, they need to have local funding of at least 75%. This LOSST gets us over the 75% needed but if we did not have it, the County would need to make several cuts more than likely within a couple of years. Nan Benson, Marshall County Auditor/Recorder also informed everyone that even if this does not pass, the taxpayers will still end up paying the money, however it would go to the State and would not stay local.

Public Forum. Kim Elder, Marshall County Emergency Management Coordinator, provided an update on the Siren Project. All sirens are installed and functioning, they are just waiting on State and FEMA inspections. Nan Benson provided an update on the Marshalltown City 4th Ward Special Election that happened on July 16th and thanked everyone for their hard work to pull it off. There was a 16% voter turnout and the polling location stayed busy throughout the day.

Adjournment. The next regular session is Wednesday, July 31, 2024, at 9:00 a.m., at the Courthouse, 1st floor meeting room, 1 E Main Street. All business to be acted upon at that session should be submitted to the County Auditor and Recorder's Office or the Board of Supervisors' Office by Wednesday, July 24, 2024, at 12:00 p.m. There being no further business to come before the Board, the meeting is adjourned at 9:17 a.m.
